Current Product Information (Unit to Trade In)

Manufacturer Name: _____

Model Name: _____

Year Purchased: _____

Application: _____

Condition of Unit:

Not Operational

Poor

Average

Good

Like New

Quantity: _____

How it works:

1) Fax this form to Avani at 919-570-2863 or e-mail to sales@avanienvironmental.com

2) Traded unit must be at least 1hp and perform at 800 cfm

2) Confirm the unit that you want: SPC-1000 or SPC-2000

3) Ship your old portable unit back to Avani.

1) The unit must be free of any harmful particulates before sending back.

2) No filters

4) The new unit will be shipped to your location

5) Must register for the Avani Lifetime Guarantee* on the New Unit(s)

6) Customer is responsible for freight on sending the "trading in" unit to Avani and to receive the New unit from Avani.
